Re: Reference Letter for Bee Well Home Health Care

To Whom It May Concern:

I am the Case Manager for the Alzheimer's Adult Day Care at the Cantor Center in Sunrise. I referred a Caregiver to Bee Well Home Health Care, as they were having some challenges in caring for their Spouse who suffers from Dementia. The Caregiver had hurt their wrist and was unable to meet the needs of her husband while she healed. I called Michael Gluzman at Bee Well Home Health Care and he was very accommodating, cooperative, and a pleasure to work with. He was able to provide the support my client and their Caregiver needed in a timely fashion. Every time I speak with the Caregiver she always thanks me for my referral, as it was such a great help.

Seeing that the Caregiver was so pleased with the services they received, I have since given their information to another Caregiver requiring help.

Sincerely,

Kerry Long  
Case Manager
